

Glen Cunningham — You are terrific — Caring, friendly, most helpful and also very knowledgeable Real Estate Agent I ever came across.

You eased my tension from selling my house, finding a capable & suitable lawyer and even a downsize mover for me.

I highly recommend your service as a compassionate efficient Real Estate Agent especially for elderly people like me.

Thank you so very much Glen for everything you did for me, which I will never forget.

THANK YOU AGAIN AND AGAIN

With warm regards — P. Chowdhury (Padma Chowdhury)

Liz Cunningham — You are **INCREDIBLE!** At this age (83yrs), I was worrying a lot about the complicated procedures of moving to a Retirement Residence. — You are the one who always assured me that everything will be O.K. and you helped beyond my expectations to overcome the worries. You were always beside me whenever needed.

You are so resourceful. You exactly knew what are to be done for the move and helped me to do those not only by referring to the right people & places, but also driving me to those places.

What is more touching is — you even went to the extent by offering to clean my house after moving — which I thought was too much to accept. But I must say it was a nice gesture on your part and it gave me moral support & I felt that I can always fall back on someone who is always there for me.

In short, you helped me more than I can put into words and "THANK YOU" is also not enough.
